*Congratulations on all your hard work!*

First place winners receive \$100 cash from Cascade Chapter of NATS. **MT scholarships** will be awarded to two singers chosen by committee immediately after the livestream concludes. The scholarships, along with committee selection criteria, are described in detail below. The first, second, and third place singers from each category with qualifying scores are eligible to enter the **Northwestern Regional Student Auditions**. Singers may change their repertoire and/or record new videos to submit by the deadline, Wednesday, Feb 23, 2022. Here in this program, NQ indicates the singer did not have a qualifying score to advance to regionals. The Children and Youth categories are chapter level only.
