Welcome

The Cascade Chapter has a longstanding history of annual Classical Student Auditions. Please note, in recent years we have implemented extensive policy changes regarding categories, repertoire, and scoring. These changes were developed by the National NATS board, and are required for all NATS Chapters. This document is intended to be a specific reference for the Cascade Chapter Classical Student Auditions. To review the full National guidelines, please visit the documents posted here: <http://www.nats.org/nsaresources.html>.

Please encourage your students to attend the Workshops!

NATS Member Sponsoring Students

At-a-glance:

- Must be a member in good standing nationally and locally (*get those memberships renewed!)
- Serve as an adjudicator or arrange for an appropriate substitute
- Give credit to former teachers
- Pay attention to NATS code of ethics, policies and regulations – teacher’s responsibility to comply
- Review the NATS rating and scoring rubric with your students
- Arrange for a collaborative pianist – NATS members may not accompany their own students

The details:

Those registering students for auditions must be members in good standing at the national level of NATS at the time of registration as well as all rounds of the event. In addition, Chapter level events require chapter membership in good standing at the time of registration as well as all rounds of the event. Easily renew your membership at all levels online, at <https://www.nats.org/nats-membership.html> or contact Membership Chair Linda Appert at appertlw@gmail.com to renew your membership if necessary.

Members shall serve as adjudicators and/or act in other capacities as requested. Members who are unable to attend the Student Auditions to serve may not register their students unless they find a substitute. The substitute must be a NATS member in good standing who is not already sending students to the auditions. The substitution must be communicated to the Auditions Co-Chairs **PRIOR** to the registration deadline.

If a student has been studying with a sponsoring teacher fewer than eight (8) months, acknowledgment must be made of the former teacher both on the application and in any public announcements. Members will disclose at NATS events the name of a student's previous voice teacher.

Members shall complete and submit online registration in a timely manner. **No schedule changes or late admissions can be considered after January 11th.** Members shall ensure that all regulations are met. Compliance with NATS policies is the teacher’s responsibility. For our Students Auditions to run smoothly and to ensure a positive, supportive and inspiring experience for our singers, all NATS members sponsoring students must be attentive and self-regulating. Please read the category and repertoire regulations in advance, do not put your students or pianists in a bad position. Adhering to these regulations at the chapter level create ease, uniformity and fluidity across all NATS auditions. Please review the NATS rating and scoring rubric with your students so they have a clear understanding of how they will be evaluated. Members shall ensure that students and collaborative pianists adhere to the NATS Copyright Policy (page 6).

Members may not accompany their own students at any stage of the event including awards concerts, etc.

Adjudicators

- NATS members who register students to audition are expected to serve as adjudicators, check in table officials and/or tally room assistants as necessary.
- Adjudicators will be expected to review NATS Adjudicator training materials and be familiar with adjudication rubrics (see p. 15).
- Adjudicators will write comments that reinforce a spirit of encouragement. The comments should motivate the student in the pursuit of vocal artistry and technique through hearing and being heard, and being adjudicated in an inspiring climate.
- All comments should be consistent with the NATS Audition Regulations.
- During the auditions there must be no consultation, spoken or written, between adjudicators concerning the evaluation or performance of students.
- A 90+ rating in each room is not required if, in adjudicator's opinion, no student has earned it.
- No adjudicator will be asked to change a student's score or ranking.
- While it is expected that all panels are made of NATS members, occasions may exist where non-NATS member industry professionals serve as adjudicators.

Schedule Changes & Cancellations

Schedule changes CANNOT be considered after times have been assigned. Please realize that any changes would adversely affect other students and collaborative pianists. Please inform the Auditions Co-Chairs of any cancellations as soon as possible. Please inform the check in table on the day of the auditions about last minute illnesses or emergencies.

Collaborative Pianists

All students must engage their own collaborative pianists. There will be no NATS collaborative pianist provided for the auditions and NATS members may not play for the students registered in their name. A staff collaborative pianist will be available for the Honors Recital, in the event that yours is not available. A sign-up sheet for rehearsal times with the Honors Recital collaborative pianist will be posted at the check in table. Collaborative pianists are limited to 15 singers per day of auditions. In the registration system, once 15 students have been submitted with a specific pianist, all other students will be unable to register with that pianist. Please let your pianists know that keeping track of numbers is essential.

When pianists play for singers in several different categories, it makes scheduling complex and difficult. Whenever possible, consider sharing one pianist with other teachers (for example, have all your upper high school women with one pianist and lower college men with another pianist who plays for another teacher's lower college men; ask your pianist to consider pursuing this). We are hoping to avoid limiting our pianists' totals.

So they are able to concentrate fully on providing the best support and partnership for singing artists in the auditions, collaborative pianists SHOULD NOT be required to serve as the arbiter of correct adherence to the NATS Copyright Policy. Rather, it is the teacher's responsibility to facilitate all necessary documentation for legally obtained sheet music. Singers (not pianists) will present their music to the check in desk staff for copyright approval and must receive an "approved" copyright stamp on their adjudication sheets before they may proceed to their audition.

NATS Policy on Copyright Laws

The National Association of Teachers of Singing endorses a strict policy regarding copyright laws. The use of photocopied music is prohibited at all NATS sponsored events, from the national to the chapter level.

Exceptions are:

1. Music that is out of print, still under copyright law, with permission from a publisher.
2. Sheet music or books for which the copyright has expired, but are available in CD format. (e.g., CD Sheet Music). Performers must be prepared to present proof of ownership upon request.
3. Sheet music purchased legally from an online vendor. Such music should have either a separate page proving the performer has purchased such OR a copyright notice at the bottom of the music that includes the performer's name. Performers must be prepared to present proof of ownership upon request.
4. Music available from approved public domain websites. Performers should take particular care when accessing these sites as some do not guarantee that all works are indeed in the public domain. Current approved online public domain sites are:

www.imslp.org

www.sheetmusicarchive.net

www.jscholarship.library.jhu.edu/handle/1774.2/2085

Resolution of a Copyright or Repertoire Violation If legal photocopies or unbound music are being used by the collaborative pianist, it is suggested that the singer address the adjudicators upon entering the room and provide proper copyright approval prior to their performance in the form of a CD Sheet music approval form or other accepted documentation (e.g., publisher approval letter, public domain notice) prior to announcing their first selection.

If the student DOES NOT provide the proper documentation, an adjudicator has the right and responsibility, at the conclusion of the audition, to request the student to provide such if they notice that copies or unbound music are used and the following list of steps should be taken. These steps also apply to potential repertoire discrepancies:

- Adjudicators should not disrupt the audition process to question the student.
- Nothing should be written on a comment sheet by adjudicators regarding any suspected violation. Please write a note on a separate sheet of paper.
- Write comments and score the student as if there were no violation.
- Rank or score the student as if there were no violation.
- When the auditions are completed, all adjudicators should consult the Auditions Chair and discuss the potential violation.
- The Auditions Chair may need to research the issue or consult others before making a final ruling.
- If it is determined that a violation exists, the Auditions Chair makes every effort to discuss the violation with the student's teacher prior to notifying the student. This is to be done by the Auditions Chair and not the adjudicators.
- The singer is disqualified if, in fact, a violation has occurred.

NATS Auditions Rating/Scoring System

All Student Auditions and National Student Auditions must use the same scoring system, enabling scoring data comparisons across all NATS Regions. Scoring is based on a national standard. Singers in all classifications will sing one song of their choice and then songs selected by the adjudicators within the time limits. Adjudicators will write constructive comments and a score between 70 and 100 on their scoring sheets. The singer with the highest average score wins their category.

Scoring System

The scoring system is developed to allow for objective as well as subjective measures of a singer's performance. Further, it is structured to provide more detailed guidance to adjudicators as they seek to provide appropriate and constructive feedback to singers. All auditions should use the official NATS Student Auditions Adjudication Form, which you will be prompted to print when you finish registration process (Blank forms available under Competitions, following the link to NSA Resources, on www.nats.org).

Adjudicators shall:

1. Provide scoring for each singer in comparison to a standard developed specifically for these auditions. Judging relative to a common standard (see adjudication rubric) provides a better overall result than comparing singers to one another when scoring.
2. Place an X on the adjudication sheet (see below) to indicate a general level of accomplishment. Note that a specific numerical score is not listed but the Low to High range is divided into three sections corresponding with the 70-100 scoring range. Note that the Ensemble marking should not factor into the final scoring.

	<i>low</i>		<i>high</i>
Tone	-----/-----/-----		
Breathing/Alignment	-----/-----/-----		
Language / Diction	-----/-----/-----		
Musicianship / Accuracy	-----/-----/-----		
Artistry / Expression	-----/-----/-----		
<hr/>			
Ensemble (comment only)	-----/-----/-----		

3. Provide constructive comments on the performance that correspond with the ratings marked. The adjudication rubrics provide guidance in constructing comments which correspond with their ratings.
4. Assign a final overall score between 70-100 that generally corresponds to the markings given in #2. For example, if all the markings are in the highest 1/3 of the line a score in the 90-100 range is appropriate.
5. Sign your name at the bottom of the sheet.

Adjudicating Standard

The national standard is stated in the first column of the adjudication rubric, (See p. 16) describing the qualities of an ideal singer. As adjudicators hear singers they should compare the singer's performance against the standard "...for a xxx category singer" or "...for their age".

Tie-Breaker Round

In the event of a tie for first place, all singers who tie are invited to sing in a Tie-Breaker Round. The Tie-Breaker Round will be scheduled as soon as possible after the room has finished on Saturday. Exact time and location will be posted on the Results Poster. Please note, if singer is unavailable to sing in Tie-Breaker Round, they will automatically forfeit first place and drop to second.

Each student will sing one selection of his/her choice in its entirety. This selection must be one of the numbers submitted in the preliminary round entry.

Three new adjudicators will score the Tie-Breaker Round. Members may not adjudicate their own students. Tie-Breaker Round adjudicators will be selected by the Auditions Chairs. Scoring and comments will remain the same as the Preliminary Round: adjudicators will give each singer one score between 70 and 100, and give written comments. Comments will be made available to teachers prior to the Honors Recital. Final tabulations will be made by the Auditions Chair and assistants. The adjudicators are not to confer until after their rating sheets have been delivered to the Auditions Office/Tally Room.

Tie-Breaker Round singers will be awarded first, second, and third place, with the highest score receiving first. To receive first, second, or third, the singer must have an average score of 90 or above. If more than three students sing in the Tie-Breaker Round, students who do not receive first, second, or third will receive Honorable Mention. First, second, and third place singers are eligible to advance to the Regional round of auditions. Singers who receive first place in their category will receive a certificate and \$100 check if they perform on the Honors Recital: \$60 if they do not perform on the Honors Recital. Singers must perform on the Honors Recital to be eligible for the NATS Scholarship Awards (Gustafson and Bel Canto).

Singers who tie for first must be available sing in the Tie-Breaker Round to be eligible to win their category. If they do not sing in the Tie-Breaker Round, they will forfeit first place.

In the event of another tie, the award for first place will be divided equally among the winners. All will be called First Place Winners, and are invited to sing on the Honors Recital. This regulation holds for ties in all the places.

In the event of Repertoire Requirement discrepancies, students may still sing but will receive "comments only."

WHAT STUDENTS SHOULD EXPECT

ARRIVAL & CHECK IN: The check in desk will provide practice and audition room locations.

- ✓ Each student brings their three completed adjudication forms, as well as their copyrighted music, to the check in table in the lobby.
- ✓ **Mark on the forms which song student wishes to sing if selected for the Honors Recital, or indicate adjudicators' choice.** Results are greatly slowed if tally room must request this information.
- ✓ Singers present their music to the check in desk staff and receive an "approved" copyright stamp on their forms before auditioning.
- ✓ **Pianists may not check students in;** if students are sharing books, this requires some planning. Please prepare in advance to avoid stress on your students and your pianists.
- ✓ Check in at least one hour before your assigned audition time.
- ✓ Be ready at your designated room to perform at least 10 minutes before your assigned audition time. Students who miss their time should not expect any accommodation.

MONITORS: Room monitors guide traffic and assist adjudicators with keeping time.

AUDITIONING: 10 minutes prior to their audition time, singers should arrive at their room, connect with the room monitor and follow their directions. Usually,

- singers give their forms to the room monitor, who hands them to the judges.
- singer announces their assigned number (not name) and opening selection. *For example: "I am singer #13, and I will begin with 'Silent Noon' by Vaughan Williams."*
- Adjudicators choose the following selections one at a time.

TIMING The monitor starts the stopwatch when pianist begins playing their first piece. When the allotted time limit is reached, the monitor calls time. The singer should stop singing, state "thank you" and exit. Being stopped mid-singing does not penalize the singer nor affect the judges' comments or scoring.

RESULTS & FINAL TIE-BREAKER ROUND: The first, second, and third place students will be posted near check in as soon as possible after categories are finished. In the event of a tie for first place, the students who tied will participate in a Tie-Breaker Round (see page 8 for full details).

GUESTS: The auditions are open. Students are welcome to bring guests and are encouraged to spend the day listening to other singers as a means of showing support and learning from watching other performers. Please check in with room monitors for the best time to enter a room.

HONORS RECITAL: The 1st, 2nd and 3rd place singers with scores averaging 90+ in each category are invited to perform at the Honors Recital on Sunday at 3 pm.

If there is a question regarding repertoire and/or performance availability at the Honors Recital, it will be noted on the result board. It is the singer's responsibility to check the board and report to tally room as soon as possible. Failure to do so may result in the student being left off the Honors Recital program.

Singers are encouraged to use their own collaborative pianist, but may use the collaborative pianist provided by NATS for the Honors Recital. A sign-up sheet will be available at the check in desk for rehearsal times with the NATS staff collaborative pianist.

Only those first place students who perform in the Honors Recital will receive the full monetary gift (\$100) from the Cascade Chapter in recognition of their outstanding achievement. First place singers who cannot perform will be awarded \$60. All students, guests, and teachers are encouraged to attend the recital.

REGIONAL STUDENT AUDITIONS: The first, second, and third place singers from each category are eligible to enter the Northwestern Regional Student Auditions as long as their average score is above 90.

More information about Regional Student Auditions can be found at <http://www.nwnats.org/>. Students who win at the regional level are eligible to enter the National Student Auditions. For more information about National Student Auditions, access http://www.nats.org/national_student_auditions.html.

SCHOLARSHIP AWARDS

For our high school singers:

The Dagny Gustafson Scholarship Award for Young Singers was established in 1978 in memory of Dagny Gustafson, one of the first members of the Cascade Chapter of NATS. She was a beloved teacher of all ages and talents. Before moving to Oregon she had a substantial performance career as a mezzo-soprano. She taught on the faculties of Portland State University, Lewis and Clark College and University of Portland and had a full complement of students in her downtown Portland studio for many years. Her students won awards on local and national levels, including several NW regional winners of the NATSAA. Many members of Cascade NATS were her voice students. She was also an advocate for collaborative pianists and nurtured their development.

The recipient of this annual award will be a **high school** singer who displays potential, technical advancement and artistry. The student must sing in the Honors Recital.

Criteria for this award are:

- Appropriate literature for the development of the singer
- Good breath management, posture, free tone production
- Language skills
- Ability to bring the song to life with understanding of style and text

The student will be selected by either the guest clinician during the Classical Festival or, in the year(s) no clinician is hired, elected board members (President, President-Elect, Secretary, Treasurer) will select the student to be awarded the Gustafson Scholarship. Any board members with students in the honors recital will recuse themselves. If all executive board members are ineligible, the President will select judges (up to 3) from the rest of the board in attendance.

For our lower and upper college singers performing art songs:

The Bel Canto Art Song Award for Vocal Excellence was established in 2016 and will be awarded to an advanced singer of college age for excellence in Art Song. An anonymous donor has established this award to celebrate beautiful professional level singing.

The recipient of this annual award will be an advanced singer in the **Lower or Upper College** Divisions who demonstrates excellent technique, vocal resonance and beauty singing an **art song** in the Honors Recital.

Criteria for this award:

- Perform an **Art Song** in any language on the Honors Recital
- Balanced, vibrant resonance
- Excellent technique as demonstrated in breath management and posture
- Poised, polished performance
- Excellent diction in all languages
- Thorough understanding of style
- Artistic attention to vocal color, nuance and text

The student will be selected by either the guest clinician during the Classical Auditions and Festival or, in the year(s) no clinician is hired, elected board members (President, President-Elect, Secretary, Treasurer) will select the student to be awarded the Bel Canto Art Song Award. Any board members with students in the honors recital will recuse themselves. If all executive board members are ineligible, the President will select judges (up to 3) from the rest of the board in attendance.

Memorization	All repertoire, including oratorio, must be sung from memory.
Original Languages	Selections should be sung in original language or in translation if warranted by common performance practice.
Transposition	All arias from opera, oratorio, mass, cantata, operetta, works titled "concert aria," or music theater selections must be sung in the original or standard published key.
Repertoire/Categories	The word "classical" in this context refers to art songs and arias from the "classical" genre, not limited to the "Classical" period of Mozart and Haydn. In other words, no music theater, pop, soul, jazz, rhythm and blues, etc. Published arrangements of folk songs, spirituals, and traditional hymn tunes in English are widely accepted as a part of the classical genre. Students in classical categories may present one selection of this type to fulfill the English art song requirement.
Judicious Cuts	Piano introductions, piano interludes, piano music after the vocal solo is completed, and internal cuts of opera arias and music theater selections are allowed as in common performance practice. Cuts of verse or verses of selections are not allowed. In the case of strophic pieces, all verses should remain that are traditionally included.
